

CLEAR PASSAGE
EDUCATIONAL CENTER

April 17, 2020

Dear Parents, Guardians and Students:

Due to the extension of the “stay at home” order, access to CPEC’s campus will be suspended for the remainder of the school year.

During this period students will continue to have access to all online courses via Fuel Ed (Peak) and are expected to complete assigned coursework from home. In addition, regularly scheduled student meetings with Mr. Zeiler (lead teacher) will continue to be conducted via telephone.

Additional information will be shared via text, email and CPEC’s website.

If you have any questions, feel free to contact a school representative at (888) 502-1116 or via email at vtrujillo@cpecschools.org.

Sincerely,

Vivianna Trujillo
Executive Director
