SECTION 2 - THINGS TO DO: FIRST WEEK OF SCHOOL

Laptop Distribution

If you are in need of a laptop computer, please contact the office at (562) 270-6052, and a school representative will follow-up with you to provide information regarding current laptop availability and the expected timeline in which a laptop may be distributed to you.

School Passwords and Log-in Information

Each student will receive their passwords and log-in information via email.

REMIND Access*

If you have not signed up for access to REMIND (a free school messaging app that will provide you with ongoing school updates), a link will be forwarded to you via text message by Wednesday, September 7th. Please note that it is required that you sign up for REMIND.

School Email

Given that communication from CPEC staff will also be sent via email, it is critical that students have access to school email in a timely manner. With this in mind, we encourage you to ensure that you are able to receive school emails to your phone.

New Course Access*

A link will be forwarded to you via email in order to access your new courses. Please check your school email daily.

Scheduling Weekly Appointment*

A link will be forwarded to you via email to schedule a weekly appointment (re: Google Meet). Please check your school email daily. Mr. Zeiler (your teacher) may also contact you directly to schedule your appointment. Mr Zeiler's phone number is 562-584-0377.

**Please Note: If you have not received any of the links by Thursday, September 8th, please contact Ms. Trujillo at (562) 270-6052.*

Reading and Math Diagnostic Assessments*

STAR testing in the areas of Reading and Math will be conducted during the first two weeks of school. STAR testing supports the school in identifying which Reading and Math skills students know, and which skills students are ready to work on next. The information (data) derived from the tests allow teachers to support students toward a shared goal of Reading and Math proficiency. Each test will take approximately 20 minutes and all students are expected to take the Reading and Math tests.

**CPEC will contact you to schedule a testing date and time.*
